

POWER LIFT®

POWERFUL IDEAS FOR POWERFUL RESULTS

POWER STEP UP BOX

Power Lift's Power Step-up Box is the perfect addition to any facility looking to round out their strength training equipment. Our Adjustable Step-Up box gives your athletes options to vary box height without having to grab another box or stack boxes, making it ideal for incremental training. A fixed-pivoting linkage system makes adjusting height easy and a pair of wheels give this step-up box mobility to move freely around your facility.

KEY FEATURES:

- 6 platform positions
- Flip up handles
- Wheels (engage when box is lifted)
- Steel frame
- Large step up platform 22" x 20"
- Vertically adjusted with an "Expandable Fixed Pivoting Linkage System"
- Optional Oak platform top with logo
- Optional 3/4" rubber top
- Floor levelers for stability
- Handles and wheels for easy mobility
- Effortless height adjustment
- Designed with 3D Solid Modeling computer technology
- Made in the U.S.A.
