

POWERFUL IDEAS FOR POWERFUL RESULTS

PRO SELECT MULTI HIP

Power Lift's Multi Hip Machine is an ideal equipment piece for every strength and fitness facility. The machine features a 300 lb. weight stack with 150 lbs. of resistance and a weight stack guard. Large adjustable foot plates make it easy to operate, and our movement arm can rotate 360 degrees. The arm can be positioned into 1 of 24 spots, giving your athletes any option imaginable. Finally, the three rotating handles for multiple hand positions and a large working platform make this the best multi-hip machine you can buy.

KEY FEATURES:

- 300 lb. weight stack providing 150 lbs. of resistance
- Weight stack guard comes standard
- Large adjustable footplate can be lowered or raised depending upon the exercise being performed. Adjustable footplate movement is assisted by a gas shock.
- Movement arm rotates 360 degrees and can be positioned into 1 of 24 settings. A gas shock assists in up and down movement to accommodate users of different heights.
- Multiple hand positions include 3 rotating handles.
- Large working platform allows for different standing / squatting styles.

Overall Dimensions:

34" (L) x 65" (W) x 77" (H)

950 lbs. (Approximate Weight)

Warranty:

Lifetime conditional warranty on frame components. Five years on rotary bearings, guide rods, pulleys and weight plates. One year on belts, cables and grips. Ninety days on upholstery and items not specified.
