POWERFUL IDEAS FOR POWERFUL RESULTS

OAK TECHNIQUE BOXES

The Power Lift Oak Technique Box Set is a great tool to use in your facility for teaching technique to your athletes. The boxes are made in a stack-able design that allows for easy changes to be made in the starting position height.

KEY FEATURES:

- Each set includes pairs of 3", 5" & 7" boxes (6 boxes total)

Overall Dimensions:

24" (D) x 18" (W) x 3", 5" or 7" (H)
50 lbs. (3"), 64 lbs. (5"), 84 lbs. (7")

Warranty:

One year conditional warranty on frames and construction, 90 days on top finish and rubber. Oak Technique Boxes are used to adjust the pulling height only. Using them in any other manner will void the manufacturer's warranty.

Part Number:

10857A (OTB3), 10858A (OTB5), 10859A (OTB7) and 12713A (OTBS)
